An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 10/31/07, Susan Reineke requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 09-0007 the required fee of \$60 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 13:

Line 9, after "body", - - for receiving an engaging track of an adjacent slat through an aperture thereof - - has been inserted;

Line 11, "an", second occurrence, has been changed to - - the - - ;

Line 12, "of an articulation area" has been deleted;

Line 13, "disposed" has been changed to - - defining a space - - ;

Line 14, "and", second occurrence, has been deleted;

Line 17, after "surface", the following has been inserted: -- thereby defining the aperture therebetween, and a receptacle in the body defining a substantially circular surface in crosssection extending continuously between the ends of the first and second articulation surfaces adjacent the body for receiving a retention device - - .

Claims 16, and 28-34 have been canceled.

In claim 18, line 1, "curved" has been changed to - - substantially circular - - .

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Blair M. Johnson whose telephone number is (571) 272-6830. The examiner can normally be reached on Mon.-Fri., 6:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Glessner can be reached on (571) 272-6843. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
